

CHOCKEX PREMIUM DARK SOFT COATING

OVERVIEW

Tastes like dark chocolate and is specially developed for use in covering cakes and pastries where you do not need the hard break that our standard Chockex provides. Made from segregated and certified RSPO palm oil. Without hardened fat. Free from soy.

One of the greatest benefits of Bakels Chockex is that it does not contain cocoa butter, which makes it easy to use as it does not require any tempering.

Our Chockex Premium is available as Dark, White, Light, Blond and Ruby.
