

VANILLA MUFFIN & CAKE

OVERVIEW

Vanilla Muffin & Cake has an excellent taste profile, you can also add your own flavours and inclusions, opening up a whole host of endless options. It is bake stable, and capable of supporting berries, chocolate chunks, jam or nuts. Vanilla Muffin & Cake is ideal for all muffin and soft cake applications, whether these are in trays or other moulds. It offers you consistent performance, with good volume and a really moist crumb.
